June 9, 2022

Dear Customer,

**RE: Product Price Change Announcement**

Phillips 66 Company is increasing our list pricing effective June 20, 2022. The changes vary by product and are outlined below:

The following products will increase by six (6) cents per pound effective June 20, 2022.

- Odorless Mineral Spirits (OMS)

The following products will increase by ten (10) cents per pound effective June 20, 2022.

- Hexane(S)
- Odorless Mineral Spirits (OMS)
- N-Pentane
- Isopentane (B)
- Isopentane (S)
- Pentane Blends

The following products will increase by twelve (12) cents per pound effective June 20, 2022.

- Commercial Heptane
- Ultra Low Aromatic Heptane (ULACH)

This price change reflects recent changes in market conditions.

Shipment of product is based on the availability of supply, logistical assets, and lead times. All orders will be invoice at the effective price on the date of shipment, and all orders shipping on or after the effective date will be at the new price.

If you have any questions, please contact your Phillips 66 Sales Representative directly.

Regards,
